

White House Medical Unit

Certificate of Appreciation

Dr. Michel Zimpfer

The members of the White House Medical Unit wish to express our sincere appreciation and commend you for OUTSTANDING support to President Bush during his trip to Vienna, Austria. Your professionalism reflects great credit upon yourself, and is in keeping with the highest traditions of medical care.

Thank you for a job well done.

Given on the 21st of June, 2006

*Richard J. Tubb, Brigadier General, USAF, MC
Physician to the President*
